Globe Park Gazette A Feinsein Leadership School Good Deeds Program

As a Feinsein Leadership School, we are committed to teaching our students to be caring of others.

Staff are Generous!

Staff at Globe Park Elementary are also very generous! Knowing we are all part of the leadership school and want to "better the lives of others is the greatest achievement" (Feinstein) the entire staff chooses to support many local and national causes. One local cause occurred when two Globe Park Families had a devastating fire and lost their home and all their belongings. Staff and the entire Globe Park Family helped several fire victims with a "Dress Down" and numerous donations in their time of need. Many staff within the school are also offered the opportunity to support many worthwhile organizations by being **"Casual for a Cause" on Fridays.** Each month a different cause is selected to receive the donations that staff pay to support. So far this year the staff at Globe Park have supported:

The Jimmy Fund: Specifically our custodian~ Chris Chartier, and his father in the trek against Adult and Pediatric Cancer.

(Over \$300 raised in his 13.5 mile trek! Way to go!)

Because He Lives Ministries (over \$120, and canned food drive)

Adopt a Musician: Woonsocket High School

American Red Cross/ Woonsocket Fire Victims

American Heart Association

Relay for Life

Twice a year Globe Park Elementary hosts a blood drive at the school to help support those in need. Staff and parents are always willing to support our community organizations.

Globe Park : Long Time Supporter of the
Providence Ronald McDonald House &
The Pop Tab Collection Program

5th Annual Toys For Tots

Our school family pulled together to have a 5th Annual Toys for Tots campaign at our school. Through the efforts of Globe Park's PTA members and Student Senate, our schools with all its Feinstein Junior Scholars were able to collect numerous toys within a few weeks' time! Quite an awesome feat! Students were very generous in making sure that this was a great Christmas for all children!

Student Senators are another area where our Feinstein Junior Scholars Shine!

These students are the ambassadors of our fourth and fifth grade classes. Student Senators run for their role and are voted into office by their peers to represent our school in decisions, bring forth ideas for our school, and also help in fundraising efforts. Senators are also responsible for "Spirit" in our school, and coordinate several spirit days in the building.

Student Senators truly are a SYNONYM for FEINSTEIN Junior Scholar!

Helping to better the lives of others is the greatest of all achievements.

---Alan Shawn Feinstein

Our Parents & Children are the finest at Food Collecting!! Our Parent Teacher Association always align our school functions with a canned food drive. This year we have collected over 1,131 canned food items for a local food pantry: Because He Lives Ministries. They have been feeding the hungry in Woonsocket for nearly 25years. This non-denominational, nonprofit organization can always use donations.

Cards for Marines

Children of Globe Park brought some happiness to Marines overseas by sending well wishes over the holiday season. Cards were sent to support our troops that have been deployed.

Students also supported Make-A Wish foundation drive through our Cookies and a Story with Santa night, by writing letters to Santa and donating them to a local store that was sponsoring \$2.00 for every letter. Children and staff at Globe Park Elementary love to support this organization as we have had multiple chosen recipients from this school that were awarded "Make a wish" dreams!

SIT- School Improvement Team

Teachers give up many hours to support children and the school. Through volunteer work in many committees that we have established, teachers facilitate change and rigorous activities that keep learning fun! Through the work of these teams activities such as:

- NECAP Kick-Off Challenge of, "Are you smarter than a 3,4,5 grader" have been played, with Fear Factor Challenges.
- Math and Science Week & MARS Night

**Helping to better the lives of others is the greatest of all achievements.
---Alan Shawn Feinstein**

[Gators get by with a "little help from our friends"](#)

Several fifth grade students at Globe Park School volunteer their time to help children in the younger classes who need differing support in their education. They assist with multiple tasks such as cutting, coloring, and stamping names on work or helping the children practice for Special Olympics. During recess, they spend time teaching the younger students how to take turns and play nicely on the class IPADS! These are such great tools that provides Universal Access for these children with differing abilities. Their "buddy helpers" have now learned how to communicate with their friends in new and accessible ways that were not available in the past. Other fifth grade helpers do community service with younger grades by tutoring students, reading to students, and helping teachers with classroom organization. Also there are students who assist the custodial staff by helping with school wide recycling, and cleanliness. At Globe we are stewards of kindness and good deeds!

Student, Teacher & Teacher Assistant of the Month

Globe Park School recognizes the qualities that make the Feinstein Jr. Scholars, and the staff that support them at our school special. One student from each classroom is chosen based on one of these qualities to be "Student of the Month." Listed below are the students who have been recognized for their outstanding qualities. Each Teacher and Teacher Assistant has also been nominated on qualities that make us a Feinstein Leadership School.

September recognized for being **MOST HELPFUL: Student Helper: Abigail Ward**
